The game itself is fine Old, quite old, but fine Good music and audio surprisingly but not so great graphics with turn based squad combat.. Need remaster :(Played this game when it came out in 1999 I was 6, and despite this game being turn-based RPG, it spooked the living sh*t out of me :D.. Word soon gets out to the media, making it impossible for NATO to simply destroy the site.. A year later NATO takes over a former Russian secret base built on Polish soil Diggers discover a laboratory

complex in the completely demolished town.. After examining the wreckage, NATO decides to leave the lab as it is But shortly afterwards the town's previously deserted streets are suddenly teeming with hordes of grotesquely deformed creatures.. Will they discover the terrible secret of "Gorky 17"? And more important - will they live to tell about it? Be prepared for intrigue, betrayal and even some romance.. ly/2SPsJsvAbout This GameNovember 2008 NATO intelligence services report that, for reasons unknown, the Russian military has destroyed GORKY 17, one of the old Soviet "Secret Cities".. So far I can't figure out if it's entirely linear or not, but otherwise it reminds me of Fallout 1 a little bit.. 0Storage: 650 MB available spaceSound Card: DirectX compatibleAdditional Notes: Keyboard, MouseEnglish,French,German,Polish,Russian Good game.. FEATURES:The combination of adventure, RPG and strategy elements gives the game a uniquely original feelThe best of three genres: (1) exploration and interaction with a challenging world (2) character development and (3) challenging high-level tactical combat. ae05505a44 Chivalry Mac Download
